

CURRICULUM VITAE
BRIAN S. BOXER WACHLER, M.D.

465 N. Roxbury Drive, Suite 902

Beverly Hills, CA 90210

Tel: 310-860-1900

www.BoxerWachler.com

MEDICAL LICENSE

California

BOARD CERTIFICATION

American Board of Ophthalmology
National Board of Medical Examiners
Licensure of the Medical College of Canada

EMPLOYMENT

2002 – present

Director, Boxer Wachler Vision Institute
Beverly Hills, CA
Medical Staff, Cedars-Sinai Medical Center
Los Angeles, CA

1998 – 2002

Director, Refractive Surgery
Director, UCLA Laser Refractive Center
Director, Cornea, External Disease, and Refractive
Surgery Fellowship Training Program
Assistant Professor of Ophthalmology
Jules Stein Eye Institute
UCLA Department of Ophthalmology
Los Angeles, CA

EDUCATION

1997-1998

Fellow in Cornea, External Disease, and Refractive
Surgery with
Daniel S. Durrie, M.D.,
George T. Timberlake, Ph.D.
Hunkeler Eye Center, Kansas City, MO
Univ. of Kansas, Dept. of Ophthalmology, Kansas City, KS

1997-1998

Director, Refractive Surgery Clinic
Univ. of Kansas, Medical Center, Kansas City, KS

1994-1997

Resident in Ophthalmology
Saint Louis University Eye Institute
Department of Ophthalmology
Saint. Louis University School of Medicine
St. Louis, MO

1993-1994

Internship in Internal Medicine

St. Mary's Hospital and Medical Center
San Francisco, CA

Graduate
1989-1993

Medical Degree
Dartmouth Medical School
Hanover, NH
Awards: Sandoz Pharmaceutical
Ophthalmology Research Award

Undergraduate
1988-1989

Edinburgh University, Scotland
Rotary Foundation International Scholarship

1984-1988

Bachelor of Science, Psychobiology
University of California, Los Angeles
Los Angeles, California
Honors: Phi Eta Sigma
Dean's List, 1986-1988
College Honors student
UCLA Crew Scholarship Award
UCLA Speech & Debate Team,
National Champions

HONORS AND AWARDS

2025	Los Angeles Magazine's Super Doctors
2024	Los Angeles Magazine's Top Doctors
2023	UCLA Bruin Business 100 recognizing alumni visionaries
2023	Best in California – Doctors Edition
2023	Los Angeles Magazines Top Doctors
2023	Southern California SuperDoctors
2022	Best Cataract Surgeons in America
2022	LA's Top Doctors by American Registry
2022	Top Doctors by Castle Connolly
2021	Top Regional Doctor by Castle Connolly
2021	Elected to "America's Most Honored Doctors" (top 1% of physicians) by The American Registry
2021	Named as "America's Top Doctors" by Castle Connolly
2021	Los Angeles Magazine's "Top Doctors" list voted by other doctors
2020	Named as "America's Most Honored Doctors" by American Registry
2020	Named as "America's Top Doctors" by Castle Connolly
2018	Named as "America's Top Doctors" by Castle Connolly

- 2017 Named as “America’s Top Doctors for 10 years” by Castle Connolly
- 2017 Named “America’s 5% Most Honored Professionals” by Castle Connolly
- 2016 Named one of “America’s Top Doctors” by Castle Connolly
- 2016 Doctor’s Choice Award – Top 100 Ophthalmologist
- 2015 Hollywood Reporter Top Doctor
- 2015 Los Angeles Business Journal Healthcare Leadership Award Honoree
- 2015 America’s Top Ophthalmologist by Consumer Research Council
- 2015 Top Ophthalmologist in Doctors’ Choice Awards
- 2014 Top 10 Doctors in Beverly Hills as voted by Vitals.com
- 2014 Best LASIK Surgeon Beverly Hills Award
- 2014 Top Doctors as Chosen by Peers, Los Angeles Magazine
- 2013 “Most Compassionate Doctor” by Patients’ Choice from patient surveys of over 870,000 active physicians in the U.S. – only 3% of U.S. physicians received this honor
- 2012 Named one of “America’s Top Doctors” by Castle Connolly
- 2012 “Super Doctor” by Los Angeles Magazine
- 2011 One of America’s Top Ophthalmologist by Consumer Research Council
- 2011 Best of Los Angeles Top Nominee
- 2010 Senior Achievement Award, American Academy of Ophthalmology
- 2010 Recipient of “Jules Stein Living Tribute Award” by The Vision Awards along with his patient Olympic Gold Bobsledder Steve Holcomb recipient of “Athlete of Vision” award.
- 2010 Named one of “America’s Top Doctors” by Castle Connolly
- 2010 Elected to “Super Doctors” by Los Angeles Magazine survey of doctors
- 2009 Faculty Award for Five Years of Service, Joint Commission on Allied Health Personnel in Ophthalmology
- 2009 Elected into “America’s Leading Experts” on LASIK
- 2008 One of America’s Top Ophthalmologists
- 2007 Visian ICL Center of Excellence Award
- 2007 Voted one of America’s Top Ophthalmologists

- 2006 Secretariat Award, American Academy of Ophthalmology
- 2006 Top Fifty Opinion Leaders in Cataract and Refractive Surgery
- 2006 Voted one of America's Top Ophthalmologists
- 2005 Honored by United States Army and Department of Defense for contributions
- 2005 Voted of the Best Doctors in America
- 2004 Voted one of America's Top Ophthalmologists Consumer Research Council of America
- 2003 Achievement Award, American Academy of Ophthalmology
- 2002 International Refractive Surgery Club Inductee, for Best Refractive Surgeons in the World
- 2001 Gold Medal Award for Career Scientific Contributions, Indian Intraocular Implant and Refractive Surgery Society
- 2000 Summit Autonomous 1000 Plus Award – Distinguished National Ophthalmologist Award
- 1999 Summit Technology – Distinguished National Ophthalmologist Award
- 1998 Bausch & Lomb Pharmaceuticals Travel Grant for Young Investigators Award
- 1997 Saint Louis University Eye Institute Research Award
- 1997 ISRS Resident Travel Scholarship
- 1997 Bausch & Lomb Pharmaceuticals Travel Grant for Young Investigators Award
- 1996 ISRS Resident Travel Scholarship

LEADERSHIP POSITIONS

- National Academy of Medicine-Council of Medical Specialty Societies-World Health Organization, Advisory Committee for Identifying Credible Sources of Health Information in Social Media (present position)
- World Health Organization, Digital Channels Unit member, "Operation Fides" to combat misinformation on social media (*present position*)
- Medical Advisory Board, AllAboutVision.com (*present position*)
- Medical Advisory Board, WebMD (*present position*)
- Huffington Blog Post Contributor (*present position*)
- Medical Advisory Board, Qualityhealth.com
- Board of Directors, Fraternity of Friends at the Music Center, Performing Arts Center of Los Angeles Country
- Board of Directors, National Center for Youth Sport Injury

Committee Member, Basic and Clinical Science Course
in Refractive Surgery, American Academy of
Ophthalmology
Chair, American Academy of Ophthalmology Annual
Meeting Refractive Surgery Program Committee
Committee Member, Ophthalmic Technical Assessment
Committee in Refractive Surgery, American
Academy of Ophthalmology
Editorial Board, Refractive Surgery Journal (China)
Board of Directors, LASIK Institute
Media Spokesperson, Eye Surgery Education Council,
American Society of Cataract and Refractive Surgery
Sub-Committee Member, American Academy of
Ophthalmology Annual Meeting Refractive Surgery
Program Committee
Committee Member, Quality Standards Advisory Committee
of Council for Quality Assurance in Refractive Surgery
Chairman, International Society of Refractive Surgery
Communications Committee
Committee Member, International Society of Refractive
Surgery Resident /Fellow Committee
Committee Member, American Academy of
Ophthalmology Ophthalmic Technology Assessment
Committee
Committee Member, American Academy of
Ophthalmology Annual Meeting Refractive Surgery
Program Committee
Vice Chairman, International Society of Refractive
Surgery Annual Meeting
Co-director, Vision Quest, Annual Scientific Meeting of
the LASIK Institute

COMMUNITY SERVICE

2021	Volunteer judge for “Youth of the Year” for Santa Monica Boys and Girls Club
2006 - present	Founder, “Homeless Not Sockless” family charity program that provides new socks to Santa Monica’s homeless in Palisades Park.
2002 - present	Founder and President, Advanced Vision Research-Giving Vision, a California non-profit organization
2009 – 2018	Board Member, Fraternity of Friends, Music Center Performing Arts Center of Los Angeles Country
2004 -2018	Member, Fraternity of Friends at the Music Center, Performing Arts Center of Los Angeles Country
2001	Founder, Vision for All program, providing Intacs to underserved community

2001	Consultant, Police Officer Standards and Training, Refractive Surgery Section, State of California
2000	Rotary Club meeting of prospective applicants on UCLA Campus
2000	Participated in community health fair sponsored by Santa Monica Chamber of Commerce
1999	Rotary Club meeting of prospective applicants on UCLA Campus
1999-2003	Member of the Santa Monica Chamber of Commerce
1999	Participated in community health fair sponsored by Santa Monica Chambers of Commerce
1999-2002	Allexpert.com, volunteer email expert for refractive surgery

PROFESSIONAL MEMBERSHIPS

American Academy of Ophthalmology
American Society of Cataract and Refractive Surgery
International Society of Refractive Surgery
Max Fine Cornea Society
Better Business Bureau

EDITORIAL RESPONSIBILITIES

Editorial Board, Hyperopia Newsletter, Oxford Institute
Editorial Board, Cataract and Refractive Surgery Today, Bryn Mawr Communications
Editorial Board, Chinese Journal of Optometry and Ophthalmology
Co-Editor, Hyperopia and Presbyopia Book, Marcel Dekker
Reviewer, Ophthalmology
Reviewer, Journal of Refractive Surgery
Reviewer, Journal of Cataract and Refractive Surgery
Reviewer, Cornea
Reviewer, Ophthalmic and Physiological Optics

COURSES

1. Director, How to use contrast sensitivity in refractive surgery. Contact Lens Association of Ophthalmologists Annual Meeting, January 1998.
2. Director, Using and understanding contrast sensitivity in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, April 1998.
3. Director, Excimer laser photorefractive keratectomy using the Summit Apex Plus. Jules Stein Eye Institute, August 1998.
4. Director, Using and understanding contrast sensitivity in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, April 1999.

5. Director, Excellence in LASIK using the Summit Apex Plus. Jules Stein Eye Institute, October 1999.
6. Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, May 2000.
7. Faculty, LASIK Video Grand Rounds: Complication management, American Society of Cataract and Refractive Surgery Symposium, May 2000.
8. Director, The treatment of hyperopia using the Hyperion LTK system. World Refractive Surgery Symposium, July 2000.
9. Faculty, How to avoid and treat DLK and halos, Resident/Fellow Course, ISRS Annual Meeting, July 2000.
10. Discussion leader, "Breakfast with the Experts", Glare, halos, and contrast loss in refractive surgery, American Academy of Ophthalmology Annual Meeting, October 2000.
11. Faculty, Medical and surgical management of complications of refractive surgery, American Academy of Ophthalmology Annual Meeting, October 2000.
12. Faculty, LASIK video grand rounds: complication management, American Academy of Ophthalmology Annual Meeting, October 2000.
13. Director, Excellence in LASIK using the Summit Apex Plus. Jules Stein Eye Institute, December 2000.
14. Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, April 2001.
15. Faculty, Intacs: Micro-thin prescription inserts for the treatment of keratoconus, American Society of Cataract and Refractive Surgery Symposium, April 2001.
16. Faculty, LASIK video grand rounds: complication management, American Society of Cataract and Refractive Surgery Symposium, April 2001.
17. Director, LTK: New Horizons Tech Workshop and User Group Roundtables, Sunrise Technology Symposium, November 2001.
18. Faculty, Laser Thermal Keratoplasty: LTK Surgical Protocol, Updates, & Outcome Data, American Academy of Ophthalmology, November 2001.
19. Faculty, Clinical Investigation of the Phakic 6H2 Discussion, American Academy of Ophthalmology, November 2001.

20. Faculty, Glare and Halo Prevention. American Academy of Ophthalmology, November 2001.
21. Faculty, LASIK video grand rounds: complication management. American Academy of Ophthalmology, November 2001.
22. Faculty, Excellence in LASIK with the Autonomous LADARVISION 4000, Hawaiian Eye Meeting, January 2002.
23. Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, June 2002.
24. Faculty, LASIK video grand rounds: complication management. American Society of Cataract and Refractive Surgery Symposium, June 2002.
25. Faculty, Presbyopia: surgical management. American Society of Cataract and Refractive Surgery Symposium, June 2002.
26. Faculty, New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, June 2002.
27. Faculty, Complications management of refractive surgery. American Academy of Ophthalmology Annual Meeting, October 2002.
28. Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, April 2003.
29. Faculty, Full-spectrum corneal surgery in refractive surgery complications salvage. American Society of Cataract and Refractive Surgery Symposium, April 2003.
30. Faculty, LASIK video grand rounds: complication management. American Society of Cataract and Refractive Surgery Symposium, April 2003.
31. Faculty, Wavefront concepts: simplified and applied. American Society of Cataract and Refractive Surgery Symposium, April 2003.
32. Faculty, Management of refractive surgery complications. American Academy of Ophthalmology Annual Meeting, November 2003.
33. Faculty, New and emerging technologies in refractive surgery. American Academy of Ophthalmology Annual Meeting, November 2003.
34. Faculty, LASIK video grand rounds: complication management. American Academy of Ophthalmology Annual Meeting, November 2003.
35. Faculty, Wavefront concepts: simplified and applied. American Society of Cataract and Refractive Surgery Symposium, May 2004.

36. Faculty, Video grand rounds: new refractive techniques and LASIK. American Society of Cataract and Refractive Surgery Symposium, May 2004.
37. Faculty, New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, May 2004.
38. Faculty, Presbyopia. American Society of Cataract and Refractive Surgery Symposium, May 2004.
39. Faculty, New treatments for keratoconus. American Society of Cataract and Refractive Surgery Symposium, May 2004.
40. Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Symposium, May 2004.
41. Faculty, New and emerging technologies in refractive surgery. American Academy of Ophthalmology Annual Meeting, October 2004.
42. Faculty, Video grand rounds: new refractive techniques and LASIK. American Academy of Ophthalmology Annual Meeting, October 2004.
43. Faculty, Blinded by the light: role of pupil in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
44. Faculty, LASIK ectasia. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
45. Faculty, Intacs for keratoconus and ectasia. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
46. Director, Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
47. Faculty, LASIK ectasia: prevention and advanced treatments. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
48. Faculty, New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, 2005.
49. Faculty, Video grand rounds: new refractive techniques and LASIK. American Academy of Ophthalmology Annual Meeting, October 2005.
50. Faculty, New and emerging technologies in refractive surgery. American Academy of Ophthalmology Annual Meeting, October 2005.
51. Faculty, New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, 2006.

52. Director, Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, 2006.
53. Faculty, Basic and clinical science course. American Academy of Ophthalmology Annual Meeting, October 2006
54. Faculty, AAO/ISRS sponsored innovation in refractive surgery: so new it may not be true. American Academy of Ophthalmology Annual Meeting, October 2006.
55. Faculty, C3-Riboflavin for keratoconus. American Academy of Ophthalmology Annual Meeting, October 2006.
56. Faculty, New and emerging technologies in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, April 2007.
57. Director, Director, Quality of vision and aberration control in refractive surgery. American Society of Cataract and Refractive Surgery Annual Meeting, April 2007.
58. Faculty, Basic and clinical science course. American Academy of Ophthalmology Annual Meeting, November 2007.
59. Faculty, New and emerging technologies in refractive surgery. American Academy of Ophthalmology Annual Meeting, November 2007.
60. Faculty, Basic and clinical science course. American Academy of Ophthalmology Annual Meeting, November 2008.
61. Faculty, New and emerging technologies in refractive surgery. American Academy of Ophthalmology Annual Meeting, November 2008.
62. Faculty, Ways to correct presbyopia: new strategies and early results. American Society of Cataract and Refractive Surgery Annual Meeting, April 2009.
63. Faculty, Basic and clinical science course. American Academy of Ophthalmology Annual Meeting, November 2008.
64. Faculty, Danger zone - refractive surgery nightmares and worst-case scenarios: a video based course. American Academy of Ophthalmology Annual Meeting, November 2008.

CLINICAL TRIALS

1. Co-principal investigator, Autonomous Technologies Inc., Contrast sensitivity FDA substudy of the Autonomous (ATC) excimer laser.

2. Assistant coordinator, CRS-USA, Inc., Luminance controlled contrast sensitivity and visual function in LASIK.
3. Sub-investigator, Keravision, FDA evaluation of intracorneal stromal ring (Intacs) for correction of myopia.
4. Sub-investigator, ChironVision, FDA clinical trials to evaluate the use of the Keracor 116 excimer laser for the correction of mild and moderate myopia with and without astigmatism.
5. Sub-investigator, Summit Technology Inc., FDA clinical trials to evaluate the excimer laser in myopic laser in-situ keratomileusis and photorefractive keratectomy.
6. Sub-investigator, Nidek Inc., FDA clinical trials to evaluate the EC-5000 in laser in-situ keratomileusis, photorefractive keratectomy, and photoastigmatic refractive keratectomy.
7. Sub-investigator, Sunrise Inc., FDA clinical trial to evaluate the holmium laser (LTK) in the treatment of hyperopia and presbyopia.
8. Sub-investigator, Premier Laser Systems, FDA clinical trial of laser lens emulsification in cataract extraction.
9. Principal Investigator, Summit Technology, Inc, FDA clinical trial to evaluate the excimer laser in the treatment of hyperopic astigmatism.
10. Principal Investigator, Presbycorp Inc., FDA clinical trial to evaluate surgical reversal of presbyopia using scleral expanding bands.
11. Principal Investigator, Sunrise Inc., Clinical Trial to evaluate Holmium laser thermokeratoplasty (LTK) in treatment of hyperopia.
12. Principal Investigator, CRS-USA, Inc. Use of intracorneal stromal ring segments (Intacs) for treatment of keratoconus.
13. Principal Investigator, FDA clinical trial of Artisan phakic intraocular lens for correction of hyperopia.
14. Principal Investigator, FDA clinical trial of OII phakic intraocular lens (insertable contact lens) for correction of myopia.
15. Principal Investigator, FDA clinical trial of Scleral Spacing Procedure for presbyopia.

INVENTIONS

1. **Boxer Wachler BS**, Krueger RR. Visual contrast sensitivity test medium with normalized values and process for making same.

2. **Boxer Wachler BS.** Horizon contrast sensitivity test for refractive surgery.
3. **Boxer Wachler BS.** Horizon-Halo contrast sensitivity test for refractive surgery.
4. **Boxer Wachler BS.** Contact lens design for screening refractive surgery patients and method for use.
5. **Boxer Wachler BS.** Apparatus and method for using intense pulsed light to non-invasively treat conjunctival pigmented lesions and other problems of the eye and eyelid.
